An overhead view of three people in an office setting. They are gathered around a wooden table covered with large architectural blueprints. A man in a light blue shirt is pointing at a blueprint. A man in a light green checkered shirt is using a calculator. A woman in a blue shirt is looking at the blueprints. On the table, there is a blue hard hat, a smartphone, a calculator, a laptop, and several stacks of papers. The floor is covered with a patterned carpet.
